NARRATIVE On 02/09/2014 at about 0203 hours (all times approximate) Officer Thor advised radio dispatch that he had received information of possible malicious mischief at the Lake Stevens High School located at 2908 113th Ave NE in the city of Lake Stevens. On the date and time of the incident it was snowing and there was about 4 inches of snow covering the ground and roadways. I arrived on scene and contacted Keaton Vansanten DOB 1996 who had been operating a 1999 Ford R10 pickup bearing Washington State license plate #B31503F. Based on evidence and statements at the scene it is found that Vansanten had been doing "donuts" in the snow (spinning circles in the snow) in the school parking lot and upon his attempt to leave the parking lot he drove into a large security fence causing damage. There was no injury reported at the time of the incident and Vansanten drove his vehicle from the scene. ***** AUTO-POPULATED SECTION **** THE FOLLOWING ARE DESCRIPTIONS ENTERED FOR ITEMS SELECTED AS "OTHER": Motor Vehicle Unit 1 Action Code: SPINNING CIRCLES IN THE SNOW Roadway Surface: SNOW ***** END OF AUTO-POPULATED SECTION **** END OF AUTO-POPULATED SECTION **** ****** END OF AUTO-POPULATED SECTION **** *********** ************ ******		POS	RESTR.
